# Senior History

As the stars of the "L. H. S. Story, 1952," we began our screen careers as the sixty-four members of the supporting cast of the "L. H. S. Story, 1949." We elected Peter Donath, president; Helen Halliburton, vice-president; Darlene Pollard, secretary-treasurer; and Opal Armbruster, student council representative. Mr. Fred Rynearson and Mr. Wirt Fowler were our technical advisors and gave us much guidance in our rise to understudies. Our glamorous and popular member, Helen Halliburton, had the honor of being our freshman attendant to the 1948 Homecoming Queen. She was also freshman attendant to the Barnwarming Queen. As the supporting cast, we were very active in football, basketball, pep squad, band, and glee club.

We returned in the fall of 1949 as the fifty-four understudies in that year's production. We elected Eddie Holliday, president; Myron Griffith, vice-president; Joyce May, secretary-treasurer; and Darlene Pollard, student council representative, to guide us through our year. Our technical advisors this year were Mr. William Ellis and Mrs. H. R. Burns, Jr.

This was the year when we were Quint City Conference Champs and twelve of our boys helped us win that title. Nine boys were out for basketball. Five understudies were admitted to the "L" Club. They were: Charlie Clark, Francis Craig, Jack Sencenbaugh, Tommy Goodwin, and Finis Corum. We had four members in the pep squad, eleven in glee club, and seven in the band.

Our sophomore attendant to the Homecoming Queen was Joyce May, escorted by Myron Griffith. Eva Harriman was the Barnwarming attendant. Our "Outstanding Sophomore" was Lois Jean Suddarth.

1950-1951 saw fifty-four of us as Tomorrow's Stars. We began an adventurous year of preparation for stardom. This year we elected Gene Reid, president; Charlie Callison, vice-president; W. C. Prewitt, secretary-treasurer; and Joyce May, student council representative. Our technical advisors this year were Mrs. Claude Smallwood and Mrs. Helen Hildebrand.

Popular Mary Burns was the junior attendant to the Homecoming Queen. She was escorted by Jack Sencenbaugh. Another popular member, Joyce May, was attendant to the Barnwarming Queen. She was escorted by Gene Campbell.

Opal Armbruster was editor of the "L. H. S. Highlights," which was published weekly for the first time. She had much help from Mr. Lucy English and the other members of the "Highlights" staff.

"This page sponsored by P. N. HIRSCH AND CO.."

Five members of our class worked on the Alamo. Five boys wore L. H. S. colors for the Tomorrow's Stars in football, two in basketball, and eight in baseball. Six girls were in basketball from our class.

Our first play, "Just Ducky," produced under the direction of Miss Mae Hofrieter, was successful and enjoyed by everyone. This year the juniors gave only a banquet--which was very "sumptuous." The traditional prom was omitted from the activity calendar.

We made it! We are now full-fledged Stars! We worked long and hard, but we finally reached our goal. We chose Wanda Lamme, president; Charles Roan, vice-president; Darlene Pollard, secretary-treasurer; and Gene Reid, student council representative, to lead and guide us through our year as "Stars" of our production. Our technical advisors this year were Mrs. Lucy English and Mr. Arnold Zaeske.

Popular and pretty Joyce May was elected to reign over Homecoming festivities. Her two senior attendants were Carole Bland, escorted by Larry Powell, and Shirley Campbell, escorted by Charlie Callison. Mary Burns was senior attendant at the F. F. A. Barnwarming with Charles Roan as her escort.

The two student body officers from the senior class were Charlie Callison, president; and Opal Armbruster, secretary-treasurer. Carolyn Creamer was editor of the yearbook, and Lewis Meloan was the business manager. Senior members of the yearbook staff were: Joyce May, Melba Dewey, Charles Roan, Wanda Lamme, Shirley Campbell, Darlene Pollard, and Margaret Hirst.

Six senior boys were out for football. They were: R. T. White, Larry Powell, John Podany, Jack Sencenbaugh, Myron Griffith, and Charlie Callison. Five senior boys participated in basketball

# JUNIOR HISTORY

If we could roll back the cameras of time, we could see the Freshman class mounting the steps of L. H. S. to its year as the "supporting cast." Charles Kilby was elected to head the cast, Jimmy Fry was vice-president; Norma Ince was secretary-treasurer; and Norma Blackwell was student council representative.

Margaret Chapuis played an important role, being the F. F. A. Barnwarming Queen of L. H. S. Her attendant from the Freshman class was Oey Pitzer, escorted by Charles Kilby.

Freda Love was chosen to be the attendant to the 1950 Homecoming Queen, and Charles Kilby escorted her.

In September, 1950, the cast was back to begin another year, but this time as "understudies." Gene Todd was elected president; Jackie Holland, vice-president; Dortha Love, secretary-treasurer; and Margaret Chapuis, student council representative.

Gene Todd was chosen as the outstanding Sophomore and was awarded a trip to the State Capitol.

To help complete the Homecoming Queen's court, Norma Ince was selected from the class, escorted by Eddie Steers.

Dortha Love was chosen by the F. F. A. club to be its 1951 Barnwarming Queen. Lucille Griffith represented the Sophomore class, escorted by Howard Alexander.

This brings us up to date, and now the Junior class can proudly be called "tomorrow's stars." The president is Jackie Holland; vice-president, Jimmy Fry; secretary-treasurer, Sue Tucker; and student council representative, Lucille Griffith.

The F. F. A. club again pointed its finger at this class, and this year Lucille Griffith was elected Barnwarming Queen. Attending her from the Junior class was Norma Blackwell, escorted by Charles Rowe.

Lucille Griffith, escorted by Eddie Steers, was Queen Joyce May's attendant at the Homecoming game.

As always, the Junior class has sponsored the school paper, "The Highlights," and this year Dortha Hughtart was elected editor-in-chief, and Janie Burnett the assistant editor.

The Junior class also boasts of the honor bestowed on it when Norma Blackwell was elected the new Sub-District F. H. A. president.

Our officers last year were: David Hunter, president; Betty Schwarz, vice-president; Charlotte Eversmeyer, secretary-treasurer; Carolyn Hiles, student council representative. This year our officers were: Robert Phillips, president; Billy Bankhead, vice-president; Lois Bland, secretary-treasurer; Suzanne Dugan, student council representative. Edith Lambert was elected to take care of our senior trip dues.

The members of the band were James Ogle, Jimmy Turley, Norma Holliday, Jonann Pritchett, Johnny Skillem, Suzanne Dungan, Edith Lambert, and Robert Phillips.

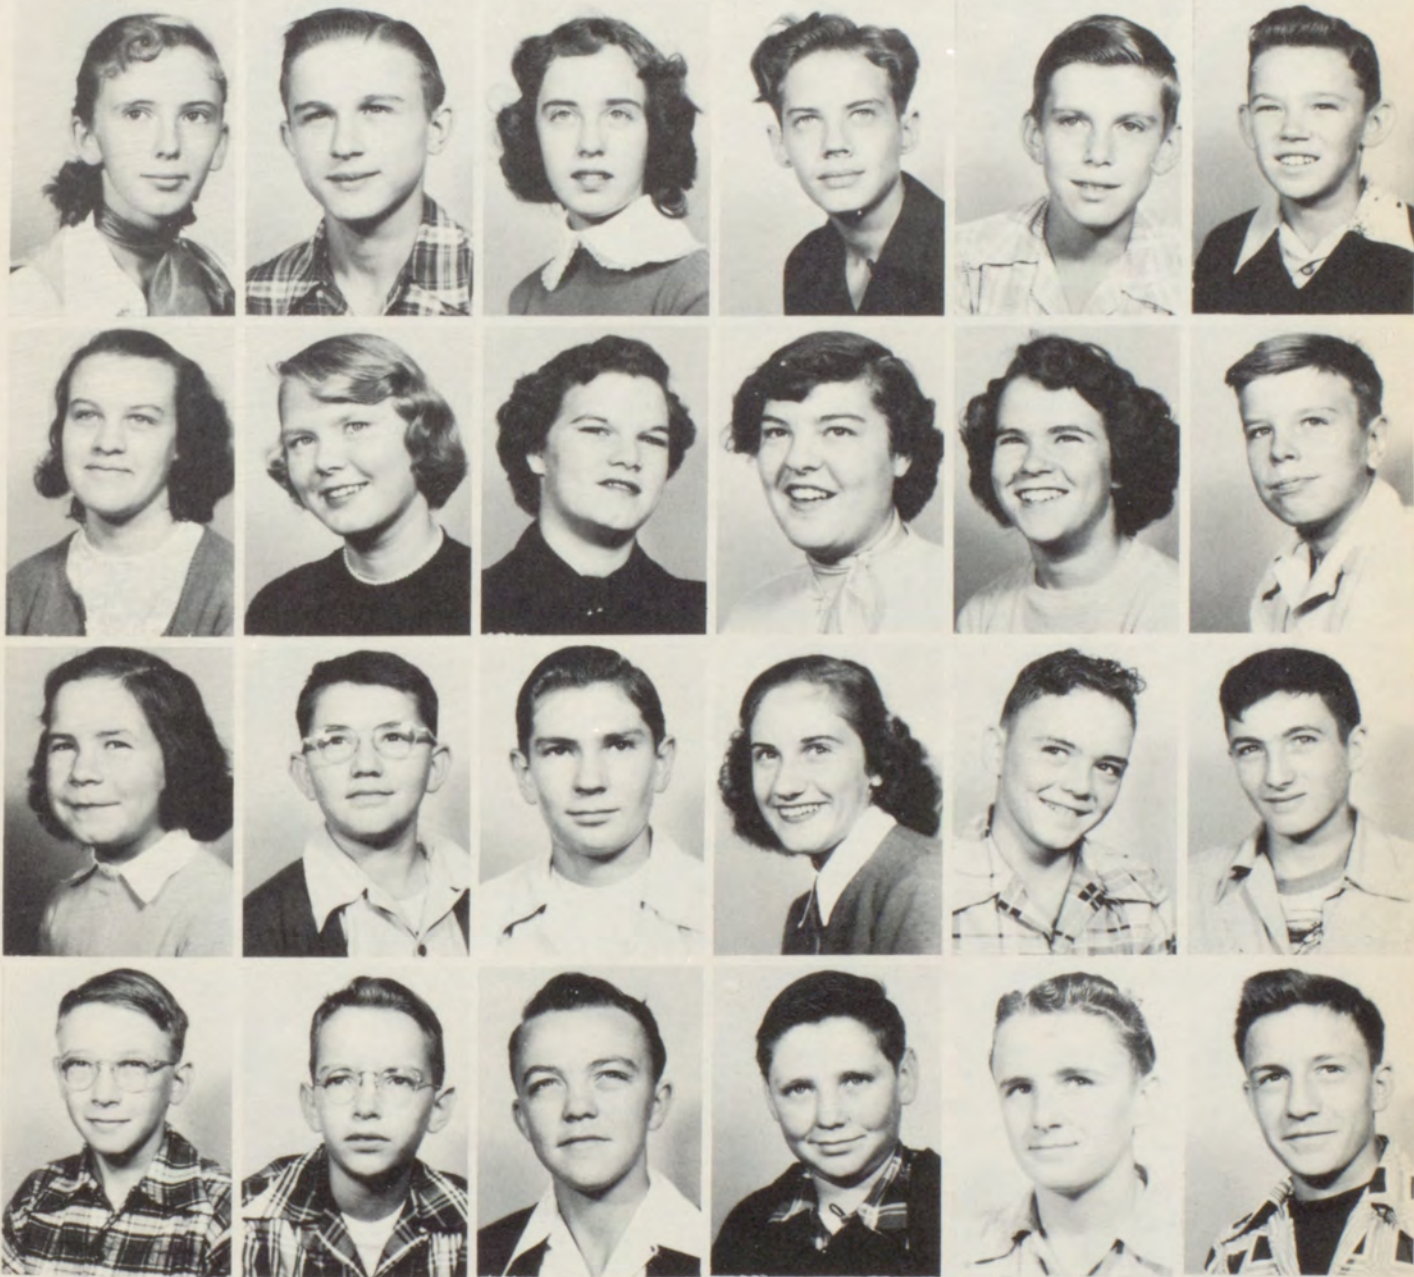

In football we had Douglas Burbridge, Donald Podany, Robert Phillips, David Hunter, and James Ogle, who was manager. The Supporting Cast, made up of the Freshman Class, consists of sixty-seven members. Among them are such distinguished people as the Class Officers: Jimmy Mosley, President; Larry Bono, Vice-President; Patty Tarrants, Secretary; Aloma Neumann, Treasurer; and Jane Johnson, Student Council Representative.

Also, there are girls who have received such honored roles as freshman attendants to the Homecoming Queen, Karen Smith and Martha Alexander; attendant to the Barnwarming Queen, Nancy Uhle; Attendants to Cinderella at Christmas, Anna Wagner, Kitty Cox, and Shirley Turner.

Then came the Freshman Athletes, of whom we are very proud. Of several Freshman girls, only Linda Gamer made the basketball team. There are many boys, too numerous to name, who look like future stars in football and basketball.

Through the lens of the camera, we see the Freshman Class of 1951-'52 as one of the most promising classes ever to enter Louisiana High School.

## Tourney Dates Set At Jan. 8-12

Approval of the date of Jan. 8-12 for L. H. S.'s invitational basketball tournament has been received by Mr. Lankford from Mr. Noel, executive secretary of the Missouri State High Athletic Association. Mr. Lankford also sent his application for sanction of the multiple interstate meet to the National Federation. This was necessary because out of state teams will be in the tournament. The date was approved by H. V. Porter, executive secretary of the National Federation. It's now up to L. H. S. to complete its plans for the tournament.

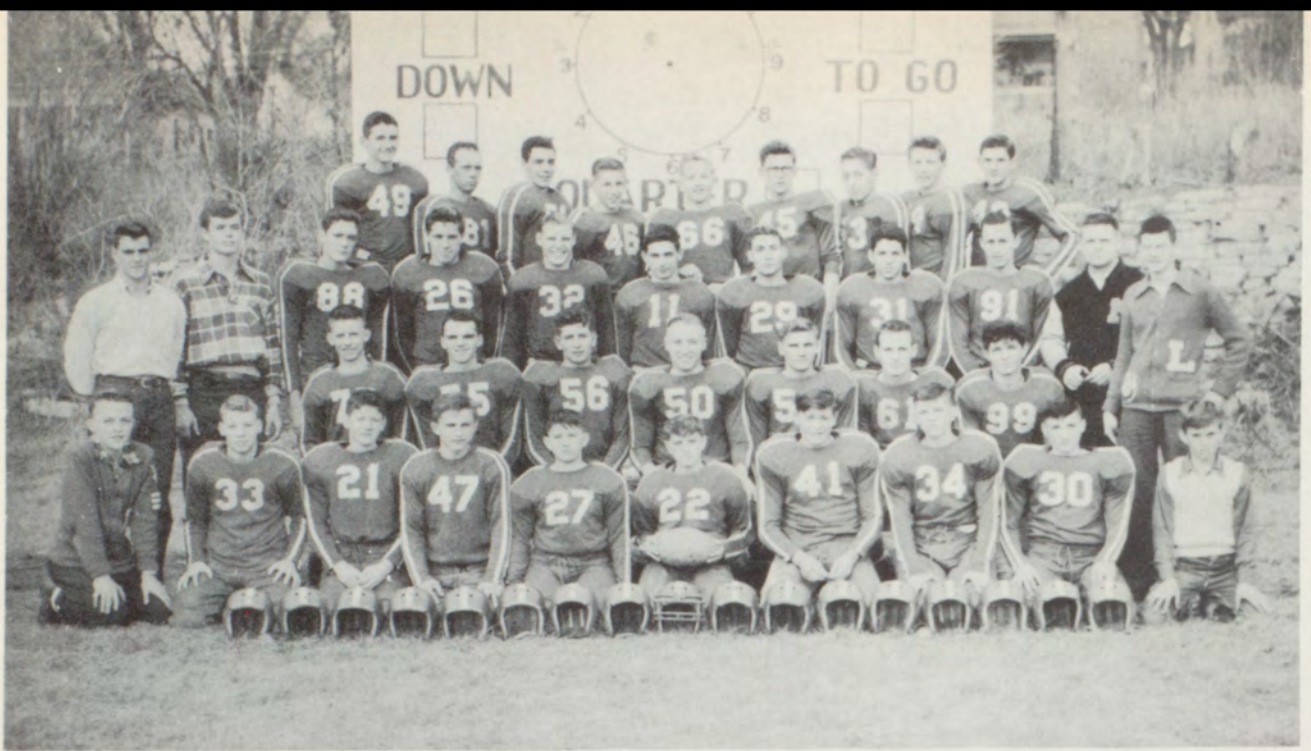

## Louisiana Girls Split With Silex; Drop 'A' Game

Trailing 25 to 6 at the half, the Louisiana High School's girl A team spurted to within seven points of a tie as the buzzer sounded on their first game of the year, against Silex Friday night in the L. H. S. gym.

Louisiana poured it on in the second half outscoring Silex, 19-7. In the last quarter the L. H. S. girls scored 11 to their opponents two. Donna Shive was high-point girl for the A's with 22, followed by Mary Burns with two and Carole Bland with one.

The bee squad, however, made it an even split as they outlasted the Silex bees, 11-10. Roberta White and Lois Bland were the only scorers racking up 10 and one respectively.

## 1951 L. H. S. FOOTBALL SQUAD

The 1951 football season got under way August 15 when 45 reported for practice.

Under Coach Robert Davis, the Bulldogs played their first game September 14, traveling to Pleasant Hill and suffering a defeat of 19-7. They then played Pittsfield, which was their first home game, and lost 26-7. The next week the Bulldogs met a very strong M. M. A. eleven and suffered a hard-to-take 26-0 loss. October 5 was a happy evening for the Bulldogs when they trounced LaPlata 47-6. The Bulldogs then took a hard series of defeats: from Palmyra, 13-20, Shelbina 0-26, and Warsaw 7-26. They then split 50-50 with Centralia 0-0, and ended their season with a very hot night, defeating McCooley 33-19.

Although the Bulldogs' record was only two wins and seven losses, no one will deny that Coach Davis had a hard-fighting eleven.

Coach Davis used the powerful split-T formation, and the Bulldogs found it very deceptive. Most of their defeats were suffered because of having a small team and lacking good defense.

The Bulldogs played the season with seven lettermen returning from last year; namely, Jack Sencenbaugh, Jimmy Fry, Gene Todd, Charles Callison, Larry Powell, Dale McMahill, and Charles Rowe.

# BASKETBALL

The Louisiana Bulldogs started their 1951-1952 basketball team with four returning lettermen. They were: Gene Todd, Jimmy Fry, Myron Griffith, and John Podany.

The Bulldogs had a very tough season and played some very hard games. This year was the first year they have played in the Eastern Missouri Conference.

The Bulldogs played in two tournaments this year besides the Sub-Regional at Troy. In the Louisiana Tournament, they won their first game from Wellsville and lost the second to a very strong Jennings five. In their third game they defeated Troy in an overtime and bowed a hard fought fourth to RIII. In the Palmyra Tournament, the Bulldogs defeated Center in their first game and lost out to Monroe City for the second.

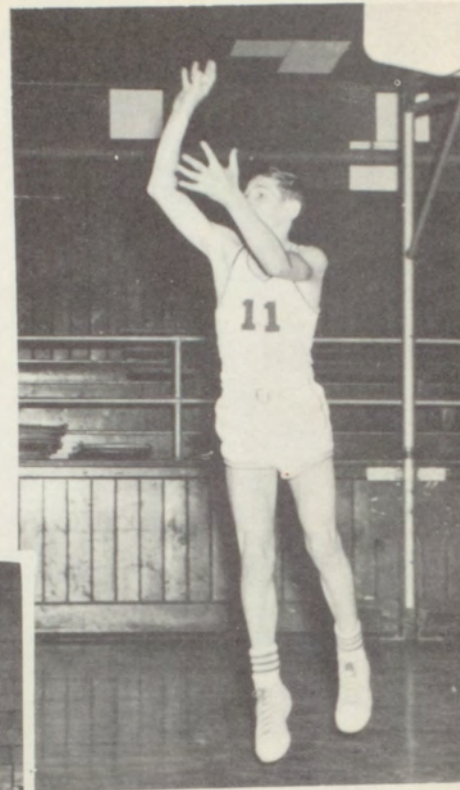

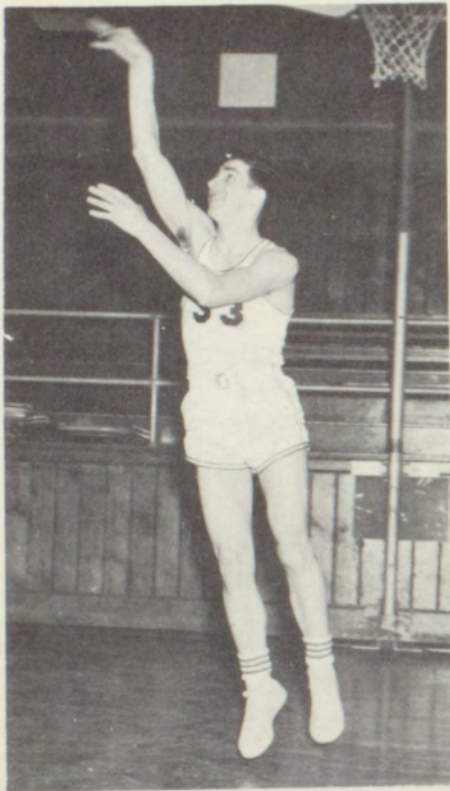

Although the Bulldogs did not have a very good record, they played some very exciting and hard fought games. Better luck next year, Bulldogs!

# GIRLS' BASKETBALL

The spotlight now falls on the Louisiana High School Girls' Basketball team, the "Bullettes".

## L. H. S. CHEERLEADERS

The five outstanding boosters for the L. H. S. sports teams are the cheerleaders. They can be seen at their best during the football and basketball seasons pushing the Bulldogs on to victory. Floyd Branstetter, Patsy Cadwallader, and Dortha Love were elected this year. Freda Love and Oey Pitzer have two and three years experience respectively.

"Something new has been added," was heard throughout the crowd of spectators at the L. H. S. tournament when the cheerleaders made their debut in their new white sweaters and red circular skirts.

When the cheerleaders were asked what they thought the highlights were of this year's sports season, they replied: Oey Pitzer, "When the Bulldogs had been having a few bad breaks during the basketball season but were victorious in defeating the Warrenton Conference Champs."

Floyd Branstetter thought the most exciting game the Bulldogs played was the overtime game against Troy during the Tournament when the Bulldogs won by three points.

Patsy Cadwallader thought the Elsberry-Louisiana game during the Sub-Regional Tournament at Troy was a fast moving game and very nerve-wrecking.

Freda Love said she believed the over-time Wellsville game during the Tournament was "wonderful."

Dortha Love said the Bowling Green-Louisiana game played here was really exciting. Although Bowling Green won, Louisiana showed excellent sportsmanship.

## FUTURE HOMEMAKERS of AMERICA

Now making our first appearance under the soft limelight are the 1951-1952 F. H. A. girls. A lot of time was spent in preparation for the many scheduled activities during the year.

Starting the year out, a food sale was held in October to pay for other planned activities. In November, the sub-district meeting was held at Mexico with Norma Blackwell installed as president, in December the afternoon Christmas party was held, in January the chili supper was given, and in February, the annual Valentine dance was held.

The Vocational Home Economics Department is sincerely appreciative of the help received during this year by all the members of the F. H. A.

## FUTURE FARMERS of AMERICA

The Vocational Agriculture Department of L. H. S. has been established for the purpose of acquainting farm boys with the more modern methods of farming.

This year there were 54 productive projects and 144 supplementary farm practices, which netted the chapter a total labor income of \$ 14, 545. 98.

The judging teams improved during the year, the meat team again going to the state contest where they received a "two" rating, being fourth out of twenty-five teams entered. The dairy team received a "one" rating, and Charles Roan and Kouwe Hofen received "one" ratings.

The officers of the Louisiana F. F. A. Organization are as follows: W. C. Prewitt, president; Jackie Holland, vice-president; Lindell Love, treasurer; Kouwe Hofen, secretary; Charles Roan, sentinel; Eddie Holliday, parliamentarian; and Mr. William Ellis, advisor.

## L. H. S. STUDENT COUNCIL

The Production Managers of this motion picture are the members of the L. H. S. Student Council. The members have had many varied problems brought before them, and they have tried to solve these problems with fairness to all concerned.

The Student Council was host at the Annual Basketball Tournament, and each member tried to make himself generally useful.

One of the most important projects of the Student Council was the sale of government bonds and stamps. This was only one of the many projects that the Student Council carried out.

The officers of the Student Council this year were: Charles Callison, President; Gene Todd, Vice President; Opal Armbruster, Secretary-Treasurer. Mr. Galen Lankford is the sponsor.

Four delegates were sent to the State Student Council Convention at St. Joseph, Missouri, on March 14 and 15. Gene Reid, Jackie Holland, Lucille Griffith, and Jane Johnson were the members who attended this meeting. They came back with some very good ideas on what could be done to improve the L. H. S. Student Council.

The L. H. S. HIGHLIGHTS continues to be the official high school paper, with Dortha Hughart as editor-in-chief. This is a Junior class enterprise and is sponsored by Mrs. Lucy English.

The entire Junior class of 50 students contributes school news, original poetry, and feature articles.

It is published every Tuesday in the local town paper, THE LOUISIANA PRESS JOURNAL, and its interesting articles keep the school spirit alive in the townspeople.

## OFFICE ASSISTANTS

Any great production studio has to have a main secretary and assistant secretaries to help keep things under control, and Mr. Lankford, the faithful and helpful Principal, deserves none other than the best office help who can efficiently assist with the office work. Of course the co-operative and cheerful attitude of Mrs. Todd, Mr. Lankford's secretary, makes the assistants look forward to being in the office. In the past years there have been only girls working in the office, but this year something new has been added--yes, as most girls say, "It's so nice to have a man around the office." So this year the office has two very fine gentlemen to take on responsibilities just as the charming ladies do. The members of the office staff have accomplished many tasks such as answering the telephone, typing letters, checking attendance, taking dictation, running errands, acting as receptionists, and carrying out the plans of a principal's office.

The Louisiana High School would like to express in every way possible its gratitude for the co-operation and helpfulness of the office staff and Mrs. Todd. L. H. S. is really indebted to the many students who have given their time and energy to office tasks the past year. They truly have earned the honor of having this yearbook picture.

## "L" CLUB

The Louisiana "L" Club is made up of members who have letters in a major sport in high school and have willingly gone through the necessary initiation. These boys have proved that they are worthy "L" Club members by representing their school with outstanding ability and good sportsmanship. It is every boy's ambition after starting his high school career to become an "L" Club member.

Twenty-one boys received football letters, and fourteen of these became new members. They were: Raymond Riley, Delbert Walker, Lindell Love, Ray Travis, Billy Hughlett, Howard Alexander, Jimmy Mosley, John Podany, Douglas Burbridge, Nicky Quattrocchi, Fred Clarke, Ed Mount, R. T. White, and Jimmy Ogle.

One of the big events of the year for the "L" Club was their project of collecting and repairing old toys and having a big Christmas party for the underprivileged children from the first to the fourth grades in the Louisiana Schools.

The "L" Club was under the sponsorship of Coach Robert Davis, who deserves much credit for the work done this year.

The officers for the year were: Jack Sencenbaugh, president; Jimmy Fry, vice-president; and Gene Todd, secretary-treasurer.

# BAND

No movie would be complete without music, and that is where the Louisiana High School Band comes in. This is its story for 1952.

The band began 1952 as one of the six "C" class bands in Missouri to receive a "one" rating at the state contest April 28, 1951. These six bands were in competition with seventeen other bands. Needless to say, the band is very proud of this accomplishment.

During the first semester the main activity of the band was the Christmas Concert, which was presented December 20, 1951, under the direction of Mr. Douglas Emerson. The band also gave a concert October 22 at a reception held for Mr. and Mrs. Douglas Emerson. The band has played at many basketball and football games. For the third consecutive year, the band attended the "Band Day" football game at the University of Missouri.

After the Christmas Concert, the band began work on the spring concert and contest numbers. Solos and ensembles also started work on contest numbers.

The soloists who performed this year were: Aloma Neumann, flute; Jimmy Turley, clarinet; Nick Nickles, trumpet; Larry Bono, alto saxophone; Joe Carl Shields, bass clarinet; Judy Wood, oboe; Suzanne Dungan, snare drum; and Willene Winner, French horn.

The ensembles which performed at contests were: saxophone quartet, clarinet quartet, trumpet trio, trumpet quartet, brass quartet, brass quintet, brass sextet, drum duet, and French horn quartet.

These soloists and ensembles played at one or more of the following contests: The Louisiana District Contest held at Louisiana High School, March 4; the Kirksville Northeast District Contest or the Columbia State Contest.

The band officers for this year were: Dale McMahill, president; Jimmy Fry, vice-president; Jo Ann Tipton, secretary; and Nick Nickles, treasurer.

This year's band is looking forward to a successful future and to continuing as one of the best "C" class bands in the state of Missouri.

#### HOMECOMING, 1951

What could be more fitting for an annual Homecoming football game than a crisp, chilly night filled with the music from marching bands, yells from the cheerleaders and screams at exciting parts of the game from the bleachers full of spectators? Well, that is a sports newsreel picture of the 1951 L. H. S. Homecoming.

Before the game the Louisiana Band gave a marching drill on the field. The football game with the Bulldogs playing Warsaw was beginning. Everyone was giving full support to the Bulldogs for a Homecoming victory.

At the half of the game the coronation of the queen took place. Elected by popular vote by the Student Body, lovely Miss Joyce May was crowned "Queen of the 1951 Homecoming," by Jack Sencenbaugh, Captain of the football team. The queen had two attendants from each class. They were: Carole Bland (senior) escorted by Larry Powell, Shirley Campbell (senior) escorted by Charlie Callison. Junior Attendants were Lucille Griffith, escorted by Charles Rowe, and Margaret Chapuis, escorted by Eddie Steers; Lois Bland (sophomore attendant), was escorted by Robert Phillips, Donna Shive (sophomore), was escorted by Donald Podany. Freshman attendants were: Martha Alexander, escorted by Wesley Meyers, and Karen Smith, escorted by Jimmy Mosley. Kindergarten attendants were Linda Williamson, escorted by Johnny O'Donnell, and Theo Stark, escorted by Johnny Ray. Flower-girls were Pam Morrow and Sherryl Barker. Crown-bearer was Robert Bray. Train-bearers were Barry Levene and George Hirst.

The final score of the game was Louisiana, 7 and Warsaw, 26.

## 1951 BARNWARMING

"Swing your pardner and don't be slow" rang out with an echo in the L. H. S. Gym at the annual F.F.A. Barnwarming. The pretty square-dance dresses and the bright plaid shirts added to the decorations along with the old rail fence, bales of hay and branches of multi-colored leaves.

The climax of this festive affair was highlighted by crowning the queen, Miss Lucille Griffith. She was escorted by Bobby Murry and crowned by W. C. Prewitt, F.F.A. President. The attendants and their escorts included in this royal party were Mary Burns, escorted by Charles Roan; Norma Blackwell, escorted by Charles Kilby; Roberta White, escorted by Charles Anderson; and Nancy Uhle, escorted by Sammy Kilby.

Once again the annual F.F.A. Barnwarming has been a success. The evening ended by drinking cider and listening to the old fiddler.
