# Bustin' Out

There are many reasons the ALAMO staff chose "Bustin out of the Old Milenium" as our yearbook theme. The most obvious being the start of a new year, century, millenium, and life for students at Louisiana High School. For seniors it is a journey to a new life after high school. For others it is a higher rank on the LHS food chain. But almost everyone is overjoyed that we have finally made it to the year 2000, healthy and happy, ready to move on. I guess you can say that we are all "Bustin Out" in one way or another. We here, on the LHS yearbook staff would like to wish everyone well in the future as they "Bust Out" of their old lives and into the new future.

Sincerely,

(your editors)

Amanda Meyer and Ashley Cook

# Faculty

As much as we students complain of the "intense misery" that the faculty of LHS bestows on us with homework, reports, and projects, these dedicated individuals work incessantly to fill our heads with important facts, ultimately improving our lives.

Thanks, guys!

# Spanish

Spanish classes are a fun, yet intense way to learn Spanish. Spanish classes performed skits, studied culture, and, of course, learned Spanish. Students were also encouraged to participate in Spanish Club, which took the study to the next level of participation.

Spanish Club is an exciting extra-curricular activity which allows students to experience Spanish customs, games, and activities. This year's Spanish Club had fiestas, dinners, and many other things.

*Below:* John Logan gears up to take a swing at the pinata during one of Spanish Club's fiestas.

# Weights & P. E.

The 1999-2000 school year had exceptional physical fitness programs as usual. Coach Tony Gschwender continued to teach both P. E. and Personal Fitness. He has helped to keep his students healthy for nearly 28 years. Also, a new addition was made to the physical education program. Coach Doug Jackson moved to Louisiana and taught here for his first year. This year in the physical education program students have done various things. Some include weightlifting, volleyball, basketball, towerball, and many more.

# Mathematics

From parabolas to zickies, or derivatives to critical points, here at LHS the students work very hard to understand the concepts of Math. Whether it be Pre-Algebra or Calculus, there is always at least one math concept which is hard to grasp. We were curious about what accomplishment students were proud of in their math classes and the following responses were given:

“Being able to pass a test in Mrs. Keithley’s class.” Kelley Dewey

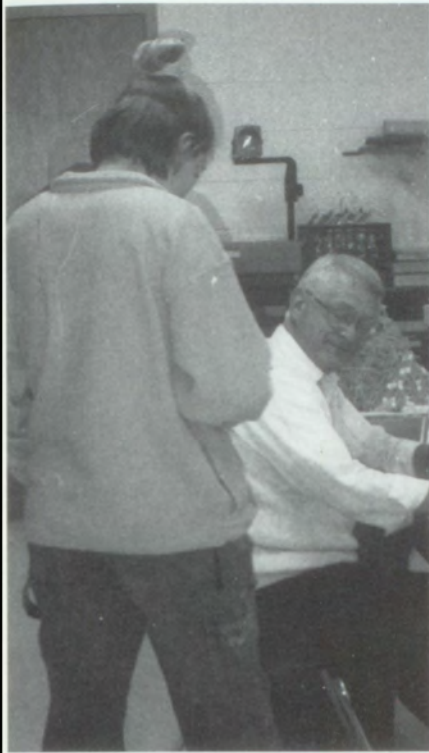

“Having the highest grade in Algebra II my sophomore year.” Marty Glenn

“Being able to survive one semester of Calculus .” Danielle Boston

# Social Studies

“Learn from your mistakes.” This ancient adage illustrates exactly what social studies classes are all about. Students are given lengthy assignments for late-night chapter-reading so we learn about events that will ripple for years into the future. Why things happen.

Eventually, perhaps, we will be able to avoid horrible conflicts like WWII by not underestimating the power of one man; and repeat successful systems such as the Civilian Conservation Corp established by President Roosevelt during the Depression.

Above: Josh Shade takes a second to explain the Psyc question to Ashley Cook, while Amanda Meyer looks on.

"The Civil War because it represented a conflict in peoples' constitutional rights and beliefs. It showed how strong our country was and is."

-Valerie Ward, Sr.

"The Clinton/Lewinsky scandal really opened my eyes, further proving a woman would be a much better President."

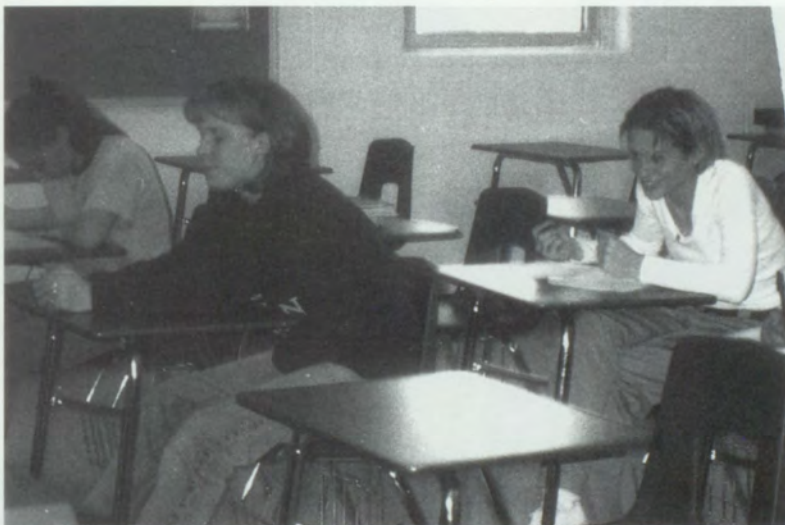

-Rachel Thomas, Fres.

"The stock market crash of 1929 because so many people lost their money and sight of their futures, leading to the Great Depression."

-Tim DeWeese, Jr.

At LHS we are very proud of our Art program. Mrs. Dehner is the art teacher here and she gives her all to help her students out. This year some of the LHS students have been entered in various art contests and have won numerous awards. Our art students have also brightened the walls of LHS by painting murals in the hall. Without our talented artists, our school would be -blah. Thanks to them, it's not!

# "Mardi Gras" LHS Style

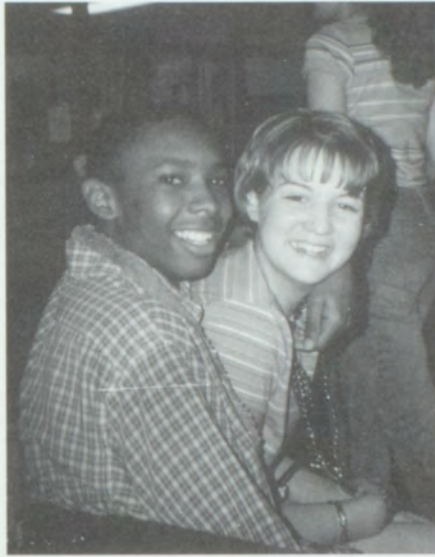

# Sadie Hawkins Dance

March 24, 2000 was the Mardi Gras celebration at LHS. From beads to leis, we brought the New Orleans celebration to the dance floor of LHS. To get the celebration started students paid a small fee of \$1.00 or two canned food items. For all the people who don't mind filling their bellies, there was plenty of food so everyone could grub!

This was a Student Council sponsored event, in which they all had a blast. They got the dance floor jumping with the variety of music supplied by Mr. Nasir. The celebration was fun while it lasted but the festivities had to come to a close at 10:00 p.m. Mardi Gras at LHS was a night to remember!

# Courtwarding 2000

Courtwarding for the 1999-2000 school year was on February 18, 2000. The Bulldogs played a tough game against the Palmyra Panthers. The end score for the girls was 11-67. The ending score for the boys was 57-65, but the Bulldogs played a good game!

To show school spirit, the cheerleaders came up with some fun dress-up days for spirit week. The days were P.J. Day, Valentine's Day, Camo Day, Twinkie Day, and of course Spirit Day.
