Cheers

As the years have passed and friends have been made, we have all learned to call LHS our home. The theme this year, "Where Everybody Knows Your Name" relates to the atmosphere of our school. Here at LHS, everyone knows your name, your past, and your future not to mention the gossip that circulates on Monday morning about the week-end events. As much as the stories disgusts you at the time, when you look over the past years you realize you have made many unforgettable memories at LHS, and it was worth all the trouble.

To our classmates of 2002, may you succeed in all of your endeavors, and good luck in the search for your true identity after high school. Cheers to your success in academics and congratulations. To the classes to come, don't be afraid to be yourself, and best wishes on your challenge to achieve academic excellence. We now present you with the 2002 LHS Alamo.

Sincerely,
Your editors
Summer Love

In Memory of Dejanero John Martell Chatman

December 23, 1983 to July 4, 1999

The Senior Class of 2002 would like to dedicate this yearbook to our fellow classmate, De' Chatman, who died in a car accident during the summer after our freshman year. De' always made everyone laugh. As student council president in middle school, De' loved to be the center of attention. He was considered the class clown by our class and the classes to come. We feel that De's life was cut too short, though he is with us everyday. Dejanero John Martell Chatman, this ones for you!

Juniors: Class of 2003

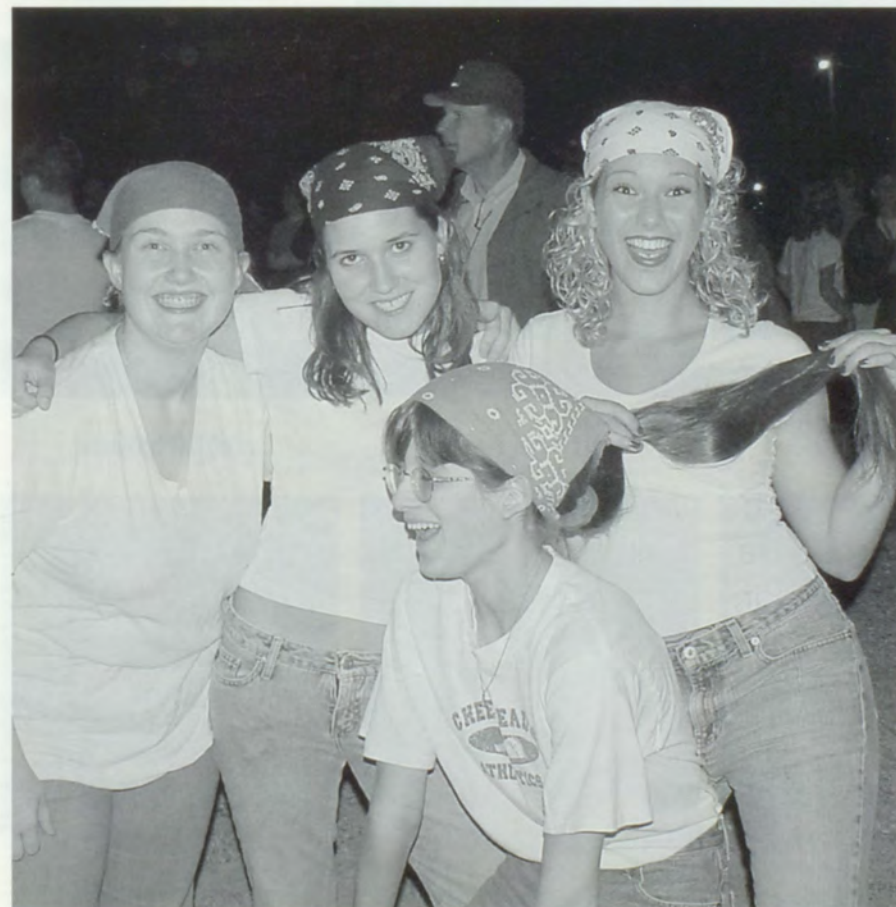

The Junior Class is left with so much responsibility. With only one more year to go, juniors have a lot to look forward to, and much to handle. As this year comes to an end, Juniors are forced to start the great responsibilities of seniors. They will be forced to take on new postions, become leaders, and turn into role models for the underclassmen. However, many students claim that their junior year was one of their best years in high school!

The sophomore class is left with many responsibilities along with rewards. Everyone remembers their sophomore year, they are no longer at the bottom of the LHS food chain, many receive their driver's license, and are picked to take on varsity positions in the athletic departments. They will look forward to the years to come as upperclassmen at LHS.

With class rings to letter jackets, sophomores finally feel like they are accepted in the social status of LHS. For many, curfew's are extended and a social life has a great impact. The students of the class of 2004 are names that are well known through the halls at LHS!

Vic,

Throughout the season's of your high school years, we've watched you blossom like a beautiful flower. You've risen above the thorns and become a beautiful rose. Your individuality, integrity, self-motivation and strive for excellence is often admired by us, as well as by others. We support your future endeavors and are confident that you will be successful in any career or vocation that you choose to pursue. We are proud to be your parents and we love you very much.

Love,
Mom and Dad

Michael,

We are so very proud of you and love you very much. You are a strong-willed young man and will be able to accomplish anything you set your mind to. Your "strong will" has driven us all crazy at times, but it is that strong will that will get you through.

Keep your head up and your eyes focused on your goal and you'll be fine. Remember - God loves you and so do we!

Love,

Mom, Dad, Mark, Nanny, Pa Pa,
Aunt Donna, Uncle Bobby, and Jessica

Congratulations Ashley!

You have grown into a very lovely lady. Follow your dreams and you will go far. Always remember we love you and will always be there for you!

Love,
Mom & Dad

Brittney,

I love you so much, and I am so very proud of you as my daughter (Lucy). May peace, love, and happiness follow you wherever life may lead you. God bless and be with you.

Love,
Dad
