The 2013-2014 ALAMO is dedicated to Mr. Michael Humphrey. The dearly beloved Speech and Literature teacher will be retiring this year. Mr. Humphrey has made a huge impact on Louisiana High School for the past 11 years. He has sponsored the National Honor Society and has brought about many opportunities for LHS students.

He has been teaching for a total of 49 years. Mr. Humphrey went to school at Shelby County Military Base in 1962. This is where he began reading to military parents. He started teaching in 1964. Mr. Humphrey has taught at Quincy Senior High School, Bishop Gallagher High School in Detroit, Culver-Stockton College, and Helias High School in Jefferson City.

After working for a year with

American Honda, Mr. Humphrey saw an ad in the Quincy-Harold Whig for a teaching position at Louisiana High School. He said that he applied immediately and got an interview. Jim York hired him because of his ability to teach dual classes and sponsor National Honor Society. He said he has enjoyed teaching here and he is very sorry he has to leave. Mr. Humphrey stated that his favorite parts about teaching are that the students are always eager to develop skills and the administration is open minded and willing to accept change.

Mr. Humphrey plans to move to The Woodland, Texas upon retiring from Louisiana High. He wants to live closer to his daughter and his grandson. He says that his plans are to get settled in the community, find

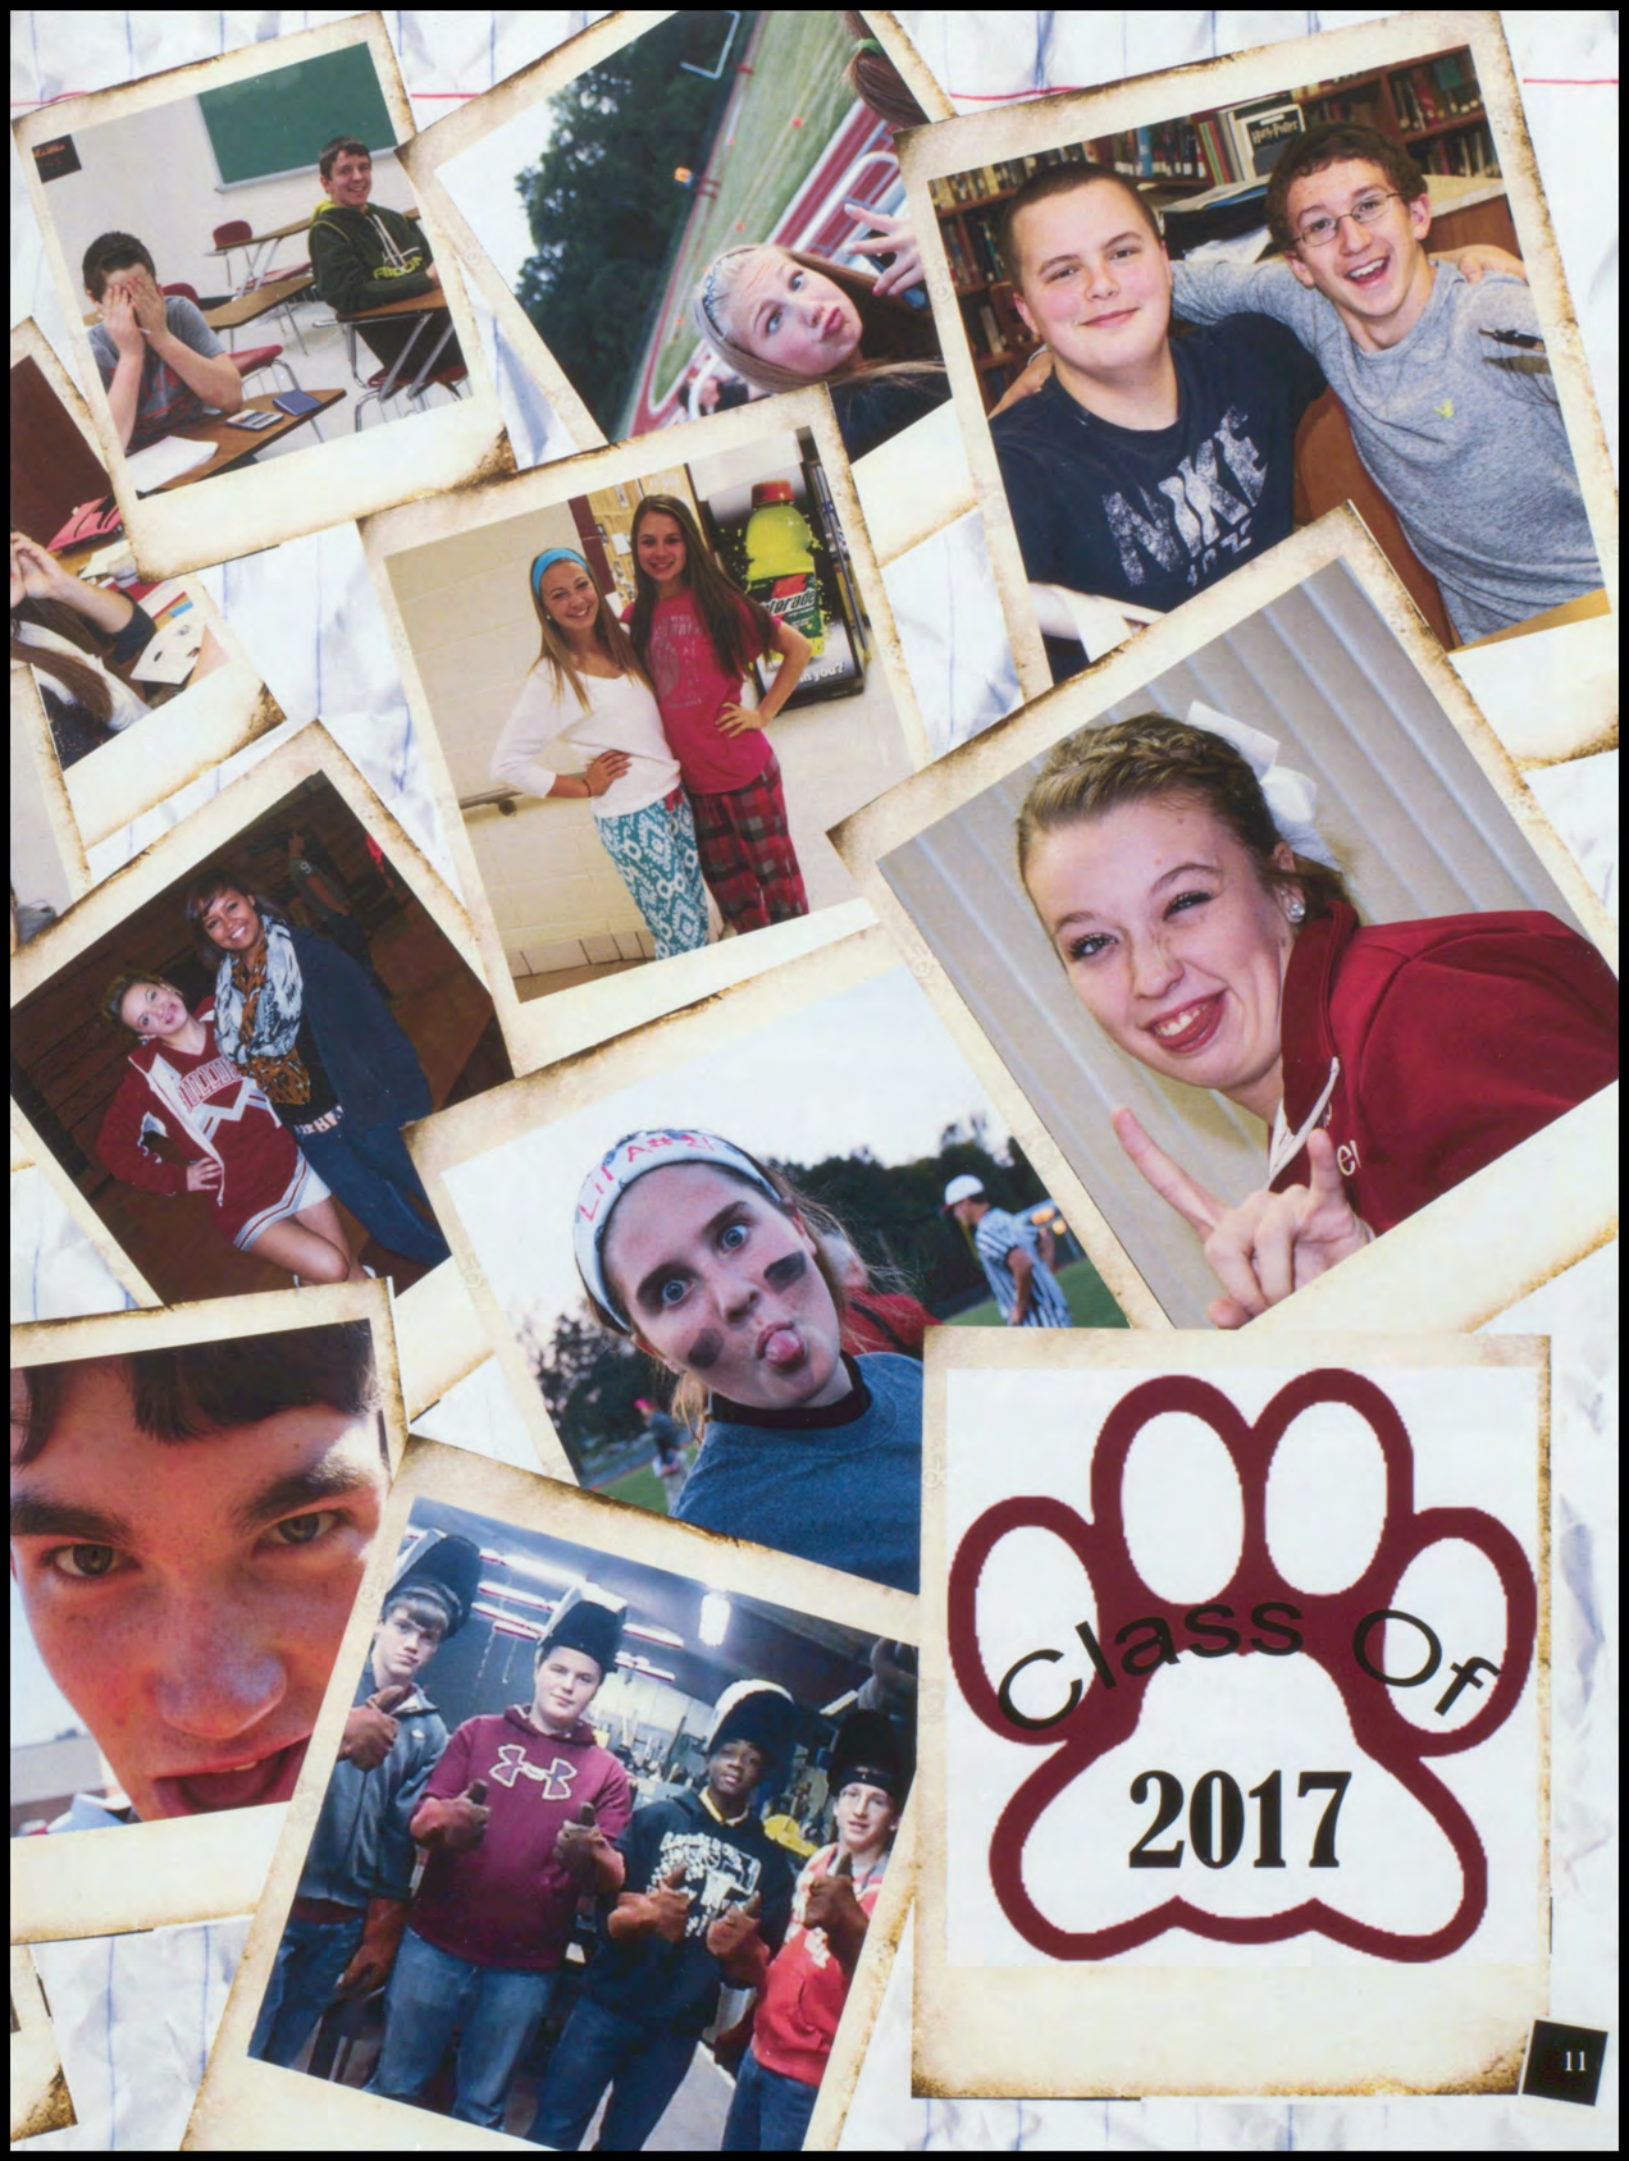

a church, and possibly become a speech teacher.

Mr. Humphrey has definitely made an impact on our high school students. He will be dearly missed by all and we wish him well on his new chapter in his life.

POP STAR BEYONCÉ shocked the world by releasing a surprise self-titled album at midnight on Dec. 13. Despite no prior promotion, "Beyoncé" sold more than a million copies in the first week.

NASA ANNOUNCED that after 36 years in space, its Voyager 1 probe had officially left our solar system, making it the first man-made object to do so. Voyager 1 was expected to continue operating and sending back data outside our solar system for 15 more years before it runs out of power.

FILIPINOS SEARCHED FOR FOOD, WATER, SHELTER and missing family members following the massive destruction to The Philippines by Typhoon Haiyan in November. Relief organizations acted quickly after one of the strongest storms ever recorded. Estimates put the death toll at almost 6,000.

DENVER QUARTERBACK PEYTON MANNING put together one of the greatest seasons in NFL history. Manning finished with 5,477 yards passing and 55 touchdowns, both NFL single-season records.

RESEARCH SHOWED teen usage of Facebook was decreasing, as kids continued to migrate toward other social networks like Twitter, Instagram and Snapchat.

IN EARLY JANUARY, much of the country from the central and upper Midwest to the Northeast and into the South was struck by a polar vortex – a blast of dense, frigid polar air. The polar vortex lasted nearly a week and caused record low temps that created the coldest blast of air in 20 years.

NELSON MANDELA

1918-2013

NELSON MANDELA, who worked to end racial segregation called apartheid in South Africa, died at age 95. Mandela spent 27 years in prison for conspiracy, and when freed, helped to lead his country to equality and served as South Africa's president from 1994-1999.

CELEBRITY DEATHS

FANS WERE SHOCKED and saddened by celebrity deaths during the year. Paul Walker (pictured), star of the "Fast & Furious" movies, was killed in a car crash. Other celebs who died included Cory Monteith, who played Finn on the TV show "Glee," actor Philip Seymour Hoffman and rock star Lou Reed.

SAN FRANCISCO WAS SAVED from the Penguin and Riddler on Nov. 15 when Miles Scott, 5, was granted his wish by the Make A Wish Foundation. With his leukemia in remission, Miles became Batkid and joined a life-size Batman to battle the villains across the city. Hundreds of volunteers made the event happen.

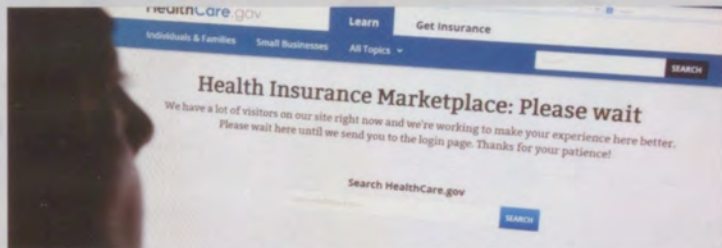

THE MARVEL SUPER HERO UNIVERSE continued to be as popular as ever. "Iron Man 3" was the highest grossing movie of 2013, and "Thor: The Dark World" was a huge hit in the fall. "Agents of S.H.I.E.L.D." was one of the highest-rated new shows on TV.

IN TIME FOR THE HOLIDAYS, manufacturers released the newest video game consoles and gamers rushed to the stores to buy up the new PlayStation 4, Xbox 1 and Nintendo Wii U gaming systems.

FLORIDA STATE'S KELVIN BENJAMIN caught a touchdown pass from Heisman Trophy-winning quarterback Jameis Winston with 13 seconds left, which allowed the Seminoles to defeat Auburn, 34-31, in college football's BCS National Championship Game. Florida State fell behind 21-3 in the first half before rallying to win.

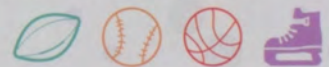

THE AFFORDABLE CARE ACT, known to many as Obamacare, launched in October, only to be stalled by a poorly functioning website. Officials scrambled to fix the problems, since Americans had until March 31 to sign up for a health care plan if they didn't have one, or they would be fined.

THE SEATTLE SEAHAWKS DOMINATED Super Bowl XLVIII at MetLife Stadium in New Jersey, defeating the Denver Broncos 43-8. The game featured Seattle's league-best defense against Denver's top-rated offense led by quarterback Peyton Manning, but the game turned into a mismatch as the Seahawks raced to a 22-0 halftime lead. The victory was the first Super Bowl win in franchise history for Seattle.
